**MOSAIC JUMPER**  
BY SANDRA GUTIERREZ

STITCHES

The Mosaic Jumper is a celebration of nature at its best! It's inspired by flower meadows that lay dormant in winter only to burst out in color with the arrival of Spring. With ALL of the colors and fun mosaic graphics, it's the perfect garment to use up yarn in your stash and to experiment and have lots of fun with color. It's a round yoke pullover with short rows at the back for a perfectly comfortable fit.

**There are TWO versions of the Mosaic Jumper for adults:**

1. The Original (OG) Mosaic Jumper (sport weight)
2. Mosaic Jumper Light (fingering weight)

## YARDAGE REQUIREMENTS

YARN: Fingering weight yarn (size 1)

The following amounts are approximate for dimensions as stated in the schematics and based on an average of 400 m per 100 g of fingering yarn. Divide total yardage into as many colors as desired. When using one single color as MC background, the MC color will cover about 55% of the total yardage.

Cropped length: aprox 1455 (1565, 1785, 1990) (2250, 2580, 2790) (3120, 3300, 3450) m / 1595 (1715, 1950, 2175) (2460, 2820, 3055) (3415, 3610, 3775) yds

Full-length: 1740 (1790, 2040, 2260) (2545, 2905, 3130) (3490, 3700, 3875) m / 1905 (1960, 2230, 2470) (2785, 3180, 3425) (3815, 4045, 4240) yds

~5 cm/2 in of extra length at the body: 23 (26, 29, 31) (34, 37, 39) (42, 46, 49) m / 25 (29, 32, 34) (37, 41, 43) (46, 50, 53) yds

*\*Yardage provided includes 5% extra for swatching and margin of error. Adjust amounts for desired length.\**
